GENERAL DISCLOSURES

The securities laws of the Province of Ontario require securities dealers and advisers, when they trade in or advise with respect to their own securities or securities of certain other issuers to which they, or certain other parties related to them, are related or connected, to do so only in accordance with particular disclosure and other rules. These rules require dealers and advisers, prior to trading with or advising their customers or clients, to inform them of the relevant relationships and connections with the issuer of the securities. Clients and customers should refer to the applicable provisions of these securities laws for the particulars of these rules and their rights or consult with a legal adviser: R.R.O. 1990, Reg. 1015, s. 223 (1); O. Reg. 80/95, s. 29 (1); O. Reg. 542/98, s. 1 (1).

McLean Asset Management Ltd. (McLean) is a registrant under applicable securities laws and, in the course of a distribution, would be a connected issuer of ROMC Fund (ROMC). ROMC, managed and distributed by McLean, is not a reporting issuer.

Under certain circumstances, McLean may deal with customers or for customers in securities transactions where the issuer of the securities or the other party to the transaction is ROMC. Since these transactions may create a conflict between McLean's interest and customers, McLean is required by securities law to disclose to customers certain relevant matters relating to the transactions. This statement contains a general description of the required disclosure.

McLean is the manager and distributor of ROMC Fund. Unless informed to the contrary by McLean, with respect to a particular security:

- (a) Securities sold by McLean are not insured by Canada Deposit Insurance Corp or by any other government deposit insurer;
- (b) Securities sold by McLean are not guaranteed by McLean;
- (c) Values of securities sold by McLean are subject to market fluctuations.
